VISION FX™

Vision fx™ is a proprietary blend of phytonutrients, vitamins and minerals designed to support healthy eye function. Most of us have heard vitamin A is great for our eyes, but now phytonutrients such as lutein have also been showing positive results in promoting optimal eye health. Vision fx™ also contains many beneficial nutrients such as vitamins A, C, and E, which support healthy heart function, and selenium, which has been shown to support a healthy immune system and boost mood!*

- Supports healthy eye function
- Promotes optimal well-being*
